Please read the above assignments carefully. It is the student's responsibility to complete all assignments in the summer on the due dates. Please bring the two books to class on the first day of class. Late assignments will receive a **5 points** deduction. Assignments **pass five days** from the due dates will incur an additional **5 points** deduction. Ex: 5 pts deduction when it is late and an additional 5 pts deduction pass the five days from the due date.

***Students will incurred a 10pts deductions to start off the grade in August. So, I hope that every student is wise to start off with a good grade.***

**Speaking skill assessment:** This assignment will be assessed upon returning to school in August based on the two novels read in the summer. You will be asked several questions about each book as a round table discussion all in the target language. PLEASE BE PREPARED!!!

Parents, I encourage that you monitor your child's progress so there are no misunderstanding of my expectations in an IB 2 course. The links above will help your child practice the language throughout the summer.

We all want to enjoy the summer including myself, but I also expect for student's to have the flexibility to complete all assignments and submit by the deadlines. These assignments will be entered as the starting point of their grade in August.

**Strategy:** Read out loud the following materials such as Spanish newspaper, articles, magazines and other form of reading to help you practice the spoken language.

It is required for your first assignment that your parents are to send me an email to [mhernandez2@wcpss.net](mailto:mhernandez2@wcpss.net) from their email address as a notification that they have read the above instructions for this assignment worth 1 point.

Gracias,

Sra. Hernandez
